

Key to the City Recognition Pugh Brothers' Garage

Pugh Brothers' Garage and Wrecker Service in downtown Cumming opened in 1969 and closed in 2009.

During its 40 years in business, Pugh Brothers' Garage contributed to the City of Cumming community by providing quality automotive and wrecker services at reasonable prices – and sometimes no price at all. If someone was in need of service and low on cash, the brothers would provide work at no charge. This was certainly not the norm, but it was not unusual.

John D. Pugh, one of the Pugh Brothers, served on the Cumming City Council for more than 20 years. John D., who passed away on June 20, 2021, was very proud of his service as a Council member. He enjoyed being a part of the daily tasks associated with watching the City of Cumming grow into the future.

The other Pugh Brothers are William, Nell, and the late Eugene.

We thank the Pugh Brothers for their many years of service to the local community!
